

April 24, 2020

Dear Students and Parents,

We just wanted to express how proud we are of all of you! We encourage you to keep working hard in your classes. We know it's a challenge right now, but we're all in this together!

Here are some brief housekeeping updates:

- Regular distance learning appointments will continue for the foreseeable future.
- Please contact your teacher if you need additional assignments or any assistance between the hours of 8:00am-4:00pm.
- Staff continues to be available to support students should they need to borrow a Chromebook. Simply contact your teacher if this applies to you.
- A Parent Portal is still under construction. More information coming soon!
- Learning Period 10 began on 4/23. All students should work towards completing 5+ units for the period.
- If you need additional support, please call your campus and leave a voicemail. Messages will be redirected to the Assistant Principal who will arrange a return call as soon as possible.

Our best wishes to you and your family,

Pathways In Education
